

Welcome to Redditch Borough Council's Voluntary & Community Sector Grant Funding Programme for 2021 / 2022

Grants awarded

Main Grant Pot - VCS groups can bid for funding from £500 up to £7,500 to help with their core costs or to support them to deliver great community projects and activities. This year the Council ringfenced £5,000 of this funding to create a separate 'Mental Health and Wellbeing' pot. VCS groups could bid for between £500 to £5k to help them deliver specific projects to support those Redditch residents who have suffered from mental health and wellbeing issues or increased mental health and wellbeing issues as a direct result of the Coronavirus pandemic.
