Important information

There is £90k available in this round of the VCS Main Grant Pot. VCS organisations can bid for funding from £500 to £10k. There is a separate application for both the smaller grants between £500 and £2k and the Mental Health Pot. VCS organisations can bid for funding for core costs, project salary costs, events, and projects. Bids for funding must align with one or more of the Council's Strategic Purposes which are:

- Run and grow a successful business.
- Finding somewhere to live.
- Aspiration, work and financial independence.
- Living independent, active and healthy lives.
- Communities which are safe, well maintained and green.

VCS groups may only submit one application to the main pot of the VCS Main Grant Programme. A further application may be made if it is in partnership with another VCS organisation(s) OR a second application may be submitted to the Mental Health grant funding for a specific Mental Health project, which focuses on suicide prevention.

Please note: the same application and/or project cannot be submitted to both the VCS Main Grants Pot and for the Mental Health grant funding.

Any funding approved under £2k can be paid upfront and in advance of the agreed spend. Any grant funding over £2k will be paid in instalments and the grant payment schedule will be agreed by both RBC Grant Officers and successful grant applicants.

All grant recipients will be required to complete regular monitoring statements and provide regular project updates. This will include reporting on outcomes for the project.
