# Borough of Redditch Local Plan No.4 Schedule of Modifications to Proposed Submission Document

# **Borough of Redditch Local Plan No.4**

## **Schedule of Modifications to Proposed Submission Document**

### **October 2014**

This document supersedes CDR1.2

The schedule below is intended to record and highlight minor editorial corrections, amendments, factual updates and clarifications to the Borough of Redditch Local Plan No.4 as it appeared when submitted to the Planning Inspectorate. These alterations are not considered to represent changes that would need to be consulted upon as they do not have any material effect on the meaning or direction of the plan and its policies. They represent instead an opportunity to make minor alterations to the plan to improve its readability, clarity and accuracy and are commended to the Inspector on that basis.

The page and paragraph references relate to those in the **Proposed Submission** version of Local Plan No.4, as some alterations to the Submission version of the Plan have caused page numbers to alter.

To accompany this schedule of changes, there is an additional document (Schedule of changes to the adopted Proposals Map, March 2014), which identifies where changes have been made to the Policies Map, Key Diagram and Indicative Vision Maps.
