Subject: RE: Sustainability Appraisal - Examination

Dear Helen,

In response to the Note of 13 January I can reassure the Inspector that neither Council has ruled out the possibility that the revised SA work could suggest an alternative approach. We have also taken the opportunity to check that, because of the links between the two plans the current Bromsgrove SA is capable of being consistent with the revised Redditch work. This work is currently being undertaken and I will therefore provide confirmation that the timetable is suitable in the context of both SAs on Monday 19th January.

Kind regards, Ruth Bamford

Head of Planning Services
