**Notes of the Meeting**

<b>5.</b>	<b><u>UKSPF</u></b>  Georgina provided an update. Pete said £295K needs to be paid this year, with bigger totals in following years. Kevin asked to know when things are signed off by the Government would be helpful before the Council commits. A <u>sub group</u> needs to be set up to manage this including Kevin, Gary, Pete S, Georgina, Julia, Muj. Ian hoped this assurance can be given by end of year, with mitigations if it is not. Significant challenges on councils puts RBC at risk if Government do not confirm the position. Gary said it would be worth getting prioritisation would be sensible and cover the accountability point; Gary volunteered to pick this up.	Susan
