

REDDITCH BOROUGH COUNCIL
(OFF-STREET PARKING PLACES) ORDER 2024

Statement of Reasons for making the Order

Redditch Borough Council intend to make the above named Order for the following reasons:-

To revoke the previous Car Park Order(s) and replace them with a new Order

The current Off-Street Parking Places Order was made in 2009 and there have been a number of changes since which means that Order is out of date and needs to be replaced.

To update the rules and restrictions in the parking areas covered under the new Order

Due to changes in the use of the Town Hall with the site now being used for Council staff and staff employed by other organisations, it has been necessary to make new provisions for the use of the car parking spaces at the Town Hall Car Park, Trescott Road Car Park and the Market Traders Car Park.

These changes include the re-configuration of the lay out of the Town Hall Car Park and the introduction of a system for the allocation of Virtual Parking Permits available to Council staff and non-Council staff.

To update the order to reflect changes in technology

The new Order introduces new provisions including reference to electric vehicles, electric vehicle charging bays and alternative approved methods of payment including cashless payments and park and phone.

Dated 10th November 2023
